

CERTIFICATE OF PARTICIPATION

This is to certify that

Odysseus Abraham Kirikopoulos

attended the **46th National Selection Conference of EYP Greece** as a delegate.

The session, held under the theme "**Perpetual Bloom of the Youth: Re-evaluating pedagogical methods and investing in lifelong learning**", brought together 200 young people from different parts of Europe. The

European Youth Parliament, founded in 1987, is a unique forum

designed to engage young people in shaping their future society. The EYP is one of the largest European platforms for political debate, intercultural encounters, political education and exchange of ideas among young people. The organisation involves thousands of young people in voluntary roles across the continent. The EYP is under the patronage of the President of the European Parliament and the Secretary General of the Council of Europe.

Through their attendance in the 46th National Selection Conference of EYP Greece, the participants have acquired extensive skills and knowledge in international teamwork, languages, intercultural communication and European politics. They have, thus, performed an act of European citizenship.
